

TUM MATHEMATIK INFORMATIK

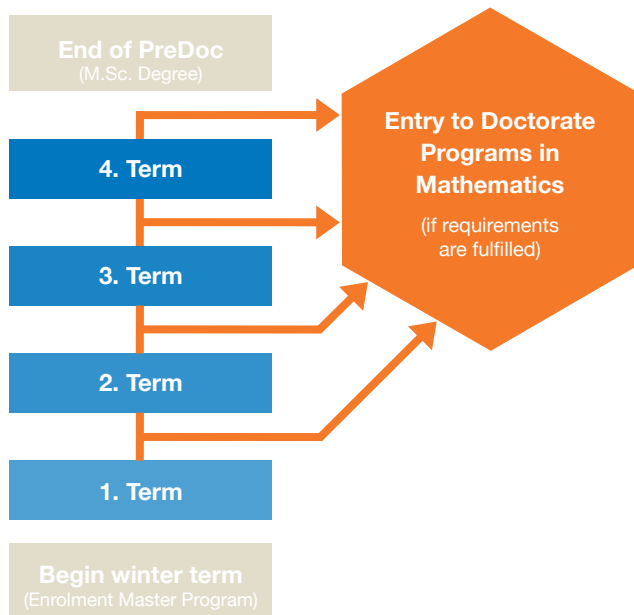

Prepare for your Doctorate early on!
PREDOC PROGRAM IN MATHEMATICS
at Technical University of Munich

What do you get from our PreDoc Program?

While enrolled in one of our Master Programs you will prepare for a future doctorate in Mathematics. The program includes:

- **An individual mentoring with a professor from your area of interest**
- **Flexible entry points to one of our Doctorate Programs at different stages**
- **A pre-study course prior to enrolment for orientation and, in particular, understanding German society and the university system**
- **Possible joint enrolment in the TopMath Elite Master/ Doctoral Program (separate application process necessary)**

Scholarships for the duration of max. 2 years (a monthly stipend of 1.000 EUR) are available for international students. These will be awarded on the basis of academic merit.

What do we expect from applicants?

If you hold a B.Sc. degree in Mathematics or a Mathematics-related field or are expected to complete your degree prior to the beginning of the PreDoc-Program, you should apply in case:

- **You want to pursue a doctorate in Mathematics at TUM**
- **You are passionate and creative about Mathematics**
- **You have excellent grades**
- **You have proof of sufficient English language skills (e.g. TOEFL minimum requirements: internet based test: 88; computer based test: 234; paper based test: 605)**

How do you apply?

An application form can be downloaded from the Graduate Office website. Applications have to be submitted electronically as one single pdf-file (not exceeding 5 MB) to gradoffice@ma.tum.de, containing the following documents:

- **Application form**
- **Letter of motivation**
- **Curriculum Vitae**
- **Transcript of records**
- **All relevant certificates**
- **Examples of written academic work**

The Deadline for both PreDoc and TopMath application is Dec. 1st 2021.
